

Have you heard about our Bread Share Program?

Buy a bread share card for \$18.00,
and you'll receive four "bread shares".
Each share is worth a loaf of bread or two pastries.
Present your share card on your following visits
and we'll mark off your redeemed shares.

Each share works out to a cost to you of \$4.50, and since loaves cost \$5.00 to \$6.00, you save money on every loaf!

It's a convenient, cost-effective and supportive way to get your bread basics covered for that special meal.

Buy share cards for yourself, or share them with others! They are a great gift idea for students or newlyweds, or can be purchased to give to folks you know who might have a challenge covering food costs.
